About Us

Heritage Tours by Seitz Travel is proudly owned and operated by me, Cynthia Breaux Seitz, and my husband, Roy Seitz. I grew up in Golden Meadow, Louisiana deep in the heart of Bayou Country and currently live in Houma, Louisiana. Roy, originally from Pensacola, Florida, has been happily living in Cajun Country since 1985. We are both alumni of Nicholls State University in Thibodaux, Louisiana. I graduated with a degree in Elementary Education with a minor in French, while Roy earned his degree in Computer Science with a minor in Mathematics. These disciplines have served us well in the operation of our business.

I have always had a deep passion for genealogy which inspired me to learn more about my ancestors and the places they lived. This longing in my soul to walk in their footsteps prompted me to start a heritage tour company. Knowing there are many like-minded ancestral cousins who have the same yearning to go and experience the homelands of our forefathers for themselves, we created these custom ancestry tours to connect people with their roots in Europe and Canada.

Heritage Tours by Seitz Travel specializes in curated journeys for the Acadians, Malagueños, Canary Islanders, and Germans of the German Coast. Each tour is meticulously planned to provide unique, enriching, and immersive experiences that celebrate the rich heritage and diverse cultures that make up our DNA. Join us and embark on a journey through history, discovering the stories of your ancestors with Heritage Tours by Seitz Travel.
